1. Introduction and Purpose

1.1 Purpose

DAI, the implementer of the “The USAID Indonesia Urban Water, Sanitation and Hygiene 'Penyehatan Lingkungan Untuk Semua' (IUWASH PLUS) program invites qualified offerors to submit proposals to supply and deliver **“Service Provider to Support Twinning under FORKALIM ; April 2018 – April 2019”** in support of program implementation.

1.2 Issuing Office

The Issuing Office and Contact Person noted in the above synopsis is the sole point of contact at DAI for purposes of this RFP. Any prospective offeror who fails to register their interest with this office assumes complete responsibility in the event that they do not receive direct communications (amendments, answers to questions, etc.) prior to the closing date.

1.3 Type of Award Anticipated

DAI anticipates awarding a **Fixed Price Purchase Order**. This subcontract type is subject to change during the course of negotiations.

2. General Instructions to Offerors

2.1 General Instructions

“Offeror”, “Subcontractor”, and/or “Bidder” means an individual proposing the work under this RFP. “Offer” and/or “Proposal” means the package of documents the firm submits to propose the work.

Offerors wishing to respond to this RFP must submit proposals, in Bahasa Indonesia, in accordance with the following instructions. Offerors are required to review all instructions and specifications contained in this RFP. Failure to do so will be at the Offeror’s risk. If the solicitation is amended, then all terms and conditions not modified in the amendment shall remain unchanged.

Issuance of this RFP in no way obligates DAI to award a subcontract or purchase order. Offerors will not be reimbursed for any costs associated with the preparation or submission of their proposal. DAI shall in no case be responsible for liable for these costs.

Proposals are due no later than **April 20, 2018 at the latest 17.00 p.m** to be submitted to **IWPLProc_LSIC@dai.com** for softcopy by stated the RFP Number and Title of the Activity in the subject line. Late offers will be rejected except under extraordinary circumstances at DAI’s discretion. All proposals submitted in softcopy shall be mentioned subject with the RFP Number.

The submission to DAI of a proposal in response to this RFP will constitute an offer and indicates the Offeror’s agreement to the terms and conditions in this RFP and any attachments hereto. DAI reserves the right not to evaluate a non responsive or incomplete proposal.

2.2 Proposal Cover Letter

A cover letter shall be included with the proposal on the Offeror’s letterhead with a duly authorized signature using Attachment B as a template for the format. The cover letter shall include the following items:

- The Offeror will certify a validity period of 60 days for the prices provided.
- Acknowledge the solicitation amendments received.

2.3 Questions regarding the RFP

Each Offeror is responsible for reading and complying with the terms and conditions of this RFP. Requests for clarification or additional information must be submitted in writing via email or in writing

to the Issuing Office as specified in the Synopsis above. No questions will be answered by phone. Any verbal information received from a DAI or IUWASH PLUS employee or other entity shall not be considered as an official response to any question regarding this RFP.

Copies of questions and responses will be distributed in writing to all prospective bidders who are on record as having received this RFP after the submission date specified in the Synopsis above.

3. Instructions for the Preparation of Technical Proposals

Technical proposals shall be sealed in a separate envelope from cost/price proposals, and shall be clearly labeled as “VOLUME I: TECHNICAL PROPOSAL”.

Technical proposals shall include the following contents

1. Technical Approach - Description of the proposed services which meets or exceeds the stated technical specifications or scope of work. The proposal must show how the Offeror plans to complete the work and describe an approach that demonstrates the achievement of timely and acceptable performance of the work.
2. Management approach – Description of the Offeror’s staff assigned to the project. The proposal should describe how the proposed team members have the necessary experience and capabilities to carry out the Technical Approach.
3. Past Performance –Provide a list of at least three (3) recent awards of similar scope and duration. The information shall be supplied as a table, and shall include the legal name and address of the organization for which services were performed, a description of work performed, the duration of the work and the value of the contract, description of any problems encountered and how it was resolved, and a current contact phone number of a responsible and knowledgeable representative of the organization. See Attachment F.

3.1 Services Specified

For this RFP, DAI is in need of the services described in Attachment A.

3.2 Technical Evaluation Criteria

Each proposal will be evaluated and scored against the evaluation criteria and evaluation sub-criteria, which are stated in the table below. Cost/Price proposals are not assigned points, but for overall evaluation purposes of this RFP, technical evaluation factors other than cost/price, when combined, are considered.

Evaluation Criteria	Evaluation Sub-criteria (if needed)	Maximum Points
Qualification		30 points
Experience		50 points
Methodology		20 points
Total Points		100 points

4. Instructions for the Preparation of Cost/Price Proposals

4.1 Cost/Price Proposals

Cost/Price proposals shall be sealed in a separate envelope from technical proposals, and shall be clearly labeled as "VOLUME II: COST/PRICE PROPOSAL".

Provided in Attachment C is a template for the Price Schedule, for individual-fixed price awards. For cost-reimbursable or time & material awards, the offeror shall provide a fully detailed budget. Offerors shall complete the template including as much detailed information as possible.

These services are not eligible for VAT exemption under the DAI prime contract. The Subcontractor is responsible for all applicable taxes and fees, as prescribed under the applicable laws for income, compensation, permits, licenses, and other taxes and fees due as required.

5. Basis of Award

5.1 Best Value Determination

DAI will review all proposals, and make an award based on the technical and cost evaluation criteria stated above, and select the offeror whose proposal provides the best value to DAI. DAI may also exclude an offer from consideration if it determines that an Offeror is "not responsible", i.e., that it does not have the management and financial capabilities required to perform the work required.

Evaluation points will not be awarded for cost. Cost will primarily be evaluated for realism and reasonableness. DAI may award to a higher priced offeror if a determination is made that the higher technical evaluation of that offeror merits the additional cost/price.

DAI may award to an Offeror without discussions. Therefore the initial offer **must contain the Offeror's best price and technical terms.**

5.2 Responsibility Determination

DAI will not enter into any type of agreement with an Offeror prior to ensuring the Offeror's responsibility. When assessing an Offeror's responsibility, the following factors are taken into consideration:

1. Provide evidence of the required individual licenses to operate in the host country.
2. Evidence of a DUNS number (explained below and instructions contained in Attachment D).
3. The source, origin and nationality of the services are not from a Prohibited Country (explained below).
4. Having adequate financial resources to finance and perform the work or deliver goods or the ability to obtain financial resources without receiving advance funds from DAI.
5. Ability to comply with required or proposed delivery or performance schedules.
6. Have a satisfactory past performance record.
7. Have a satisfactory record of integrity and business ethics.
8. Have the necessary experience, accounting and operational controls and technical skills.
9. Have the necessary production, construction and technical equipment and facilities if applicable.
10. Be qualified and eligible to perform work under applicable laws and regulations.

6. Anticipated post-award Deliverables

Upon award of a subcontract, the deliverables and deadlines detailed in below table will be submitted to DAI. The Offeror should detail proposed costs per deliverable in the Price Schedule. All of the deliverables must be submitted to and approved by DAI before payment will be processed.

Deliverables and Payment Schedule

The *service provider* will work closely with FORKALIM, and IUWASH PLUS team members on the following deliverables:

1. Progress report 1 (end of month 1) with overview of proposed activities, schedule, critical issues, communication plans with members and national stakeholders
2. Progress report 2 - 6 (at end of months 2, 4, 6, 8 and 10) with updates on all ongoing and planned activities related to the National FSM Twinning program, budgets allocated and spend, cost-sharing from other institutions/ donors, emerging issues, twinning meetings documentation, materials provided to FORKALIM website, progress on FORKALIM membership, etc.
3. Monthly updates to FORKALIM and IUWASH PLUS (months 3, 5, 7, 9, 11) summarizing similar points as mentioned under the bi-monthly progress reports
4. Final report including details and full documentation of the results of all twinning programs, all materials for FORKALIM website

Deliverables	Timing	Payment
1. Progress Report 1	End of Month 1	10%
2. Progress Report 2 (summary month 1 & 2)	End of Month 2	15%
3. Progress Report 3 (summary month 3 & 4)	End of Month 4	15%
4. Progress Report 4 (summary month 5 & 6)	End of Month 6	15%
5. Progress Report 5 (summary month 7 & 8)	End of Month 8	15%
6. Progress Report 6 (summary month 9 & 10)	End of Month 10	15%
7. Final report (summary month 11, 12 and final results)	End of Month 12	15%

7. Inspection & Acceptance

The designated DAI Project Manager will inspect from time to time the services being performed to determine whether the activities are being performed in a satisfactory manner, and that all equipment or supplies are of acceptable quality and standards. The subcontractor shall be responsible for any countermeasures or corrective action, within the scope of this RFP, which may be required by the DAI Chief of Party as a result of such inspection.

8. Compliance with Terms and Conditions

8.1 General Terms and Conditions

Offerors agree to comply with the general terms and conditions for an award resulting from this RFP. The selected Offeror shall comply with all Representations and Certifications of Compliance listed in Attachment G.

8.2 Source and Nationality

Under the authorized geographic code for its contract DAI may only procure goods and services from the following countries.

Geographic Code 937: Goods and services from the United States, the cooperating country, and "Developing Countries" other than "Advanced Developing Countries: excluding prohibited countries. A list of the "Developing Countries" as well as "Advanced Developing Countries" can be found at: <http://www.usaid.gov/policy/ads/300/310maa.pdf> and <http://www.usaid.gov/policy/ads/300/310mab.pdf> respectively.

Geographic Code 935: Goods and services from any area or country including the cooperating country, but excluding Prohibited Countries.

Geographic Code 110: Goods and services from the United States, the independent states of the former Soviet Union, or a developing country, but excluding Prohibited Countries.

DAI must verify the source and nationality of goods and services and ensure (to the fullest extent possible) that DAI does not procure any goods or services from prohibited countries listed by the Office of Foreign Assets Control (OFAC) as sanctioned countries. OFAC sanctioned countries may be searched within the System for Award Management (SAM) at www.SAM.gov. The current list of countries under comprehensive sanctions include: Cuba, Iran, North Korea, Sudan, and Syria. Goods may not transit through or be assembled in comprehensive sanctioned origin or nationality countries nor can the vendor be owned or controlled by a prohibited country. DAI is prohibited from facilitating any transaction by a third party if that transaction would be prohibited if performed by DAI.

By submitting a proposal in response to this RFP, Offerors confirm that they are not violating the Source and Nationality requirements of the goods or services being offered and that the goods and services comply with the Geographic Code and the exclusions for prohibited countries outlined above.

8.3 Data Universal Numbering System (DUNS)

There is a **mandatory** requirement for your organization to provide a DUNS number to DAI. The Data Universal Numbering System is a system developed and regulated by Dun & Bradstreet (D&B) that assigns a unique numeric identifier, referred to as a "DUNS number" to a single business entity. Without a DUNS number, DAI cannot deem an Offeror "responsible" to conduct business with and therefore, DAI will not enter into a subcontract/purchase order or monetary agreement with any organization. The determination of a successful offeror/applicant resulting from this RFP/RFQ/RFA is contingent upon the winner providing a DUNS number to DAI. Offerors who fail to provide a DUNS number will not receive an award and DAI will select an alternate Offeror.

All U.S. and foreign organizations which receive first-tier subcontracts/ purchase orders with a value of \$25,000 and above **are required** to obtain a DUNS number prior to signing of the agreement.

Organizations are exempt from this requirement if the gross income received from all sources in the previous tax year was under \$300,000. DAI requires that Offerors sign the self-certification statement if the Offeror claims exemption for this reason.

For those required to obtain a DUNS number, see Attachment D - Instructions for Obtaining a DUNS Number - DAI'S Vendors, Subcontractors

For those not required to obtain a DUNS number, see Attachment E: Self Certification for Exemption from DUNS Requirement

9. Procurement Ethics

Neither payment nor preference shall be made by either the Offeror, or by any DAI staff, in an attempt to affect the results of the award. DAI treats all reports of possible fraud/abuse very seriously. Acts of fraud or corruption will not be tolerated, and DAI employees and/or subcontractors/grantees/vendors who engage in such activities will face serious consequences. Any such practice constitutes an unethical, illegal, and corrupt practice and either the Offeror or the DAI staff may report violations to the Toll-Free Ethics and Compliance Anonymous Hotline at +1 855-603-6987, via the DAI website, or via email to FPI_hotline@dai.com. DAI ensures anonymity and an unbiased, serious review and treatment of the information provided. Such practice may result in the cancellation of the procurement and disqualification of the Offeror's participation in this, and future, procurements. Violators will be reported to USAID, and as a result, may be reported to the U.S. Department of Justice to be included in a Restricted Parties list, preventing them from participating in future U.S. Government business.

Offerors must provide full, accurate and complete information in response to this solicitation. The penalty for materially false responses is prescribed in Section 1001 of Title 18 of the United States Code.

In addition, DAI takes the payment of USAID funds to pay Terrorists, or groups supporting Terrorists, or other parties in exchange for protection very seriously. Should the Terrorist, groups or other parties attempt to extort/demand payment from your organization you are asked to immediately report the incident to DAI's Ethics and Compliance Anonymous Hotline at the contacts described in this clause.

By submitting an offeror, offerors certify that they have not/will not attempt to bribe or make any payments to DAI employees in return for preference, nor have any payments with Terrorists, or groups supporting Terrorists, been attempted.

Scope of Work Service Provider to Support Twinning Program under FORKALIM

A. Background

The USAID Indonesia Urban Water, Sanitation and Hygiene, *Penyehatan Lingkungan Untuk Semua* (IUWASH PLUS) program is a five-year initiative designed to assist the Government of Indonesia (GOI) in increasing access to water supply and sanitation services as well as improving key hygiene behaviors among urban poor and vulnerable populations. USAID IUWASH PLUS works with governmental agencies, the private sector, NGOs, communities and others to achieve the following "high level" results:

1. An increase of one million people in urban areas with access to improved water supply service quality, of which at least 500,000 are from the poorest 40% of the population (also referred to as the "Bottom 40%" or "B40"), vulnerable groups or Indonesia's eastern provinces; and
2. An increase of 500,000 people in urban areas with access to safely managed sanitation.

To ensure that improvements in access to WASH services are sustained, USAID IUWASH PLUS is guided by a development hypothesis that focuses on strengthening service delivery systems, so they can more

effectively reach the poorest and most vulnerable segments of the population. In order to achieve this at scale, the program undertakes activities through four interrelated components, including: 1) improving household WASH services; 2) strengthening city WASH institutional performance; 3) strengthening the WASH financing environment; and 4) advancing national WASH advocacy, coordination and communication. In support of these components, IUWASH PLUS also implements a Local Sustainability and Innovation Component (LSIC) that is designed to stimulate WASH innovations that strengthen community, private sector and government WASH service provision.

B. Activity Summary and Justification

Forum Komunikasi Air Limbah (FORKALIM) was setup in 2004 under PERPAMSI, the Indonesian association of water supply companies, as a communication forum for wastewater operators—mainly water utilities—to discuss urban sanitation issues. In 2015 the forum became legally independent from PERPAMSI and now, with support from IUWASH PLUS, FORKALIM is transforming into a professional association for Indonesia’s wastewater operators, which provides on-demand training and support services on a cost-recovery basis to both sewerage and fecal sludge management (FSM) operators.

With the focus of sanitation access switching to FSM promotion, the government anticipates several new FSM operators that will require training and support. In response, the government’s planning agency (BAPPANAS) has requested IUWASH and FORKALIM to develop a twinning program for existing and new FSM operators. This activity presents a unique opportunity for FORKALIM to support Indonesia’s fecal sludge management (FSM) framework and, at the same time, add new members and grow its capabilities.

The program will bring together an experienced FSM operator (mentor) and a new operator (mentee) to work together on specific issues—institutional, operational, financial, and customer-related—that the new FSM operator is encountering. During a meeting in 2017, 11 FSM operators identified several issues that could potentially be addressed through the twinning program as well as possible mentors and mentees. In managing the program, FORKALIM would be responsible for registering new members, identifying potential partnerships, working with mentors and mentees to develop a workplan, and monitoring partnership activities.

Under this scope of work the service provider will work with FORKALIM to develop, implement, monitor and document the National FSM Twinning Program as part of the larger umbrella of technical support for FORKALIM.

C. Objective

Support FORKALIM to develop a waste water operator twinning program designed to promote knowledge sharing and build the capacity of fecal sludge management (FSM) operators in Indonesia.

D. Tasks

Task 1: Develop the National FSM Twinning Program (months 1-4)

In close collaboration with the IUWASH PLUS sanitation team, FORKALIM management and the service provider working on the FORKALIM Business Plan, the service provider will

- 1.1 Obtain feedback from FSM stakeholders (both within and outside Jakarta) on preferred mentor-mentee partnerships to take place under the FSM twinning program in 2018;

- 1.2 Collect and organize information on potential mentors / mentees and assist IUWASH PLUS to arrange logistics for additional Training of Trainers;
- 1.3 Identify additional financing for FSM twinning program and provide follow-up (official letters, reports, visits by FORKALIM management, etc)
- 1.4 Develop action plan for twinning partnerships which must include, at minimum:
 - Schedule for the proposed activities related to the program
 - Planning and logistic requirement for T.O.T. for potential mentors
 - Initial list of potential participants
 - Estimated budget for the proposed twinning partnerships in 2018
 - Proposed communication methods between FORKALIM members
- 1.5 Submit action plan to FORKALIM and IUWASH PLUS for approval.

Task 2: Support the implementation of the National FSM Twinning Program (months 5–12)

In close collaboration with IUWASH PLUS sanitation team and other key stakeholders identified as partners in the FORKALIM Business plan, the service provider will

- 2.1 Arrange all invitation letters for participants, mentors and others to attend the twinning events;
- 2.2 Work with mentor to make logistical arrangements for event participants, resource persons, etc;
- 2.3 Support IUWASH PLUS in drafting SoWs and budgets for each event;
- 2.4 Join twinning events, support logistics, arrange payments and documentation (photos, MoM, etc)
- 2.5 Monitor the application of knowledge from twinning partnerships, for instance improvements made based on the knowledge learned/shared during twinning.

Task 3: Produce communication materials for the National FSM Twinning Program

In close coordination with FORKALIM and IUWASH PLUS, the service provider will

- 3.1 Prepare FSM Twinning Program promotion materials (brochure, info on FORKALIM website, etc) for potential participants, mentors and others;
- 3.2 Summarize information of each partnership under the twinning program (objectives, milestones, progress, main issues, conclusions, next plans, etc) for posting on the FORKALIM website;
- 3.3 In close collaboration with the service provider managing the FORKALIM website (hired under a separate contract), support FORKALIM with the preparation and sharing of general FORKALIM information for new and potential members.

E. Deliverables & Payment Schedule

The *service provider* will work closely with FORKALIM, and IPLUS team members on the following deliverables:

5. Progress report 1 (end of month 1) with overview of proposed activities, schedule, critical issues, communication plans with members and national stakeholders
6. Progress report 2 - 6 (at end of months 2, 4, 6, 8 and 10) with updates on all ongoing and planned activities related to the National FSM Twinning program, budgets allocated and spend, cost-sharing from other institutions/ donors, emerging issues, twinning meetings documentation, materials provided to FORKALIM website, progress on FORKALIM membership, etc.
7. Monthly updates to FORKALIM and IUWASH PLUS (months 3, 5, 7, 9, 11) summarizing similar points as mentioned under the bi-monthly progress reports
8. Final report including details and full documentation of the results of all twinning programs, all materials for FORKALIM website

The schedule of deliverables submission and payment is as follow:

Deliverables	Timing	Payment
8. Progress Report 1	End of Month 1	10%
9. Progress Report 2 (summary month 1 & 2)	End of Month 2	15%
10. Progress Report 3 (summary month 3 & 4)	End of Month 4	15%
11. Progress Report 4 (summary month 5 & 6)	End of Month 6	15%
12. Progress Report 5 (summary month 7 & 8)	End of Month 8	15%
13. Progress Report 6 (summary month 9 & 10)	End of Month 10	15%
14. Final report (summary month 11, 12 and final results)	End of Month 12	15%

Note: The regular reporting, including presentation can all be developed in Bahasa Indonesia

F. Posting & Reporting Relationship

The *service provider* to support FSM National Twinning under FORKALIM will be based in the FORKALIM office in Jakarta (Setiabudi) and for daily tasks is supervised by FORKALIM management. He/she will also provide regular (at least monthly) updates (in writing and through meetings) to the IUWASH PLUS National Sanitation team, who will also provide technical and administrative support to the *service provider* regarding content of the twinning programs, technical expertise required for various T.O.T, budgets for implementation of the twinning programs, etc. Regular travel to field locations to support the twinning program will be part of this assignment and the cost for this will be covered by a different program under this LSIC budget.

G. Service Provider Requirements

The candidate should have at least

- Bachelor's degree in environmental or Civil Engineering, Business Administration, Planning or other subject closely related to the WASH Sector;
- 7-years' experience in the WASH Sector (preferably including wastewater sector);
- Familiar with wastewater stakeholders at local and/or national level (strong network is preferred);
- Excellent communication and writing skills (verbally, writing, presentations);
- Experience in arranging logistics for events, training, including travel arrangements, budgeting, reporting;
- Network of contacts in wastewater sector in Indonesia is preferred;
- The service provider will be engaged for a period of 12 months on a full-time basis.

H. Cost Estimate

- Budget for this activity will be provided by IUWASH PLUS from the LSIC fund.
- The budget ceiling to implement the activity is IDR 160.000.000,- up to IDR 180,000,000 (remuneration + travel/communication).

- Budget includes all labor associated with tasks A through C, and all required deliverables.
- Travel within Jakarta will be arranged and covered by the *service provider*.
- Travel outside Jakarta (if needed) will be paid by IUWASH PLUS and is not included in this budget.
- All direct cost for implementation of stakeholder meetings and the national twinning program is not included in this SoW, but will be covered through separate SoWs.
- The assignment will be remunerated upon delivery and acceptance by the task manager of the agreed outputs (see table above), as per the normal procedures of IUWASH PLUS.

I. Bid Process

1. Invitation letter to the bidder (service provider)	6 April 2018
2. Pre-bid meeting	11 April 2018
3. Submission of bids to IUWASH PLUS Jakarta Office	20 April 2018

5. Negotiation and Clarification	25 April 2018
6. Information the winner	27 April 2018
7. Contract with the winning bidder	30 April 2018

Note that the above schedule is illustrative and subject to adjustment.

J. Proposal Evaluation

The service provider will be selected based on full and open competition. The potential service provider has to submit a proposal package, which consists of technical proposal (background of the program, task to be conducted, methodology, schedule), cost proposal (proposed monthly rate) and s CV. The proposal will be evaluated based on:

- Qualification 30 %
- Experience 50 %
- Methodology 20 %

K. Other Information:

1. Issuance of this RFP shall not constitute any form of agreement by DAI to any party.
2. Proposals must be accompanied by a bid cover letter written on A4 size paper.
3. Budget/cost proposal can be written in the attached format, or bidders can customize it in accordance with their proposed methodology.
4. Proposal must be sent no later than 16:00 on April 18, 2018 as follows:
 - In PDF format with the subject "Service Provider to Support Twinning program under FORKALIM" to email address: IWPLProc_LSIC@dai.com
